Sprint Review — Agenda and Date

Description

Experiment 6 — planned Sprint Review schedule for Sprint 2.

Proposed review date: 20 October 2026, aligned to Sprint 2's planned end date recorded in Jira. Suggested slot: 16:30–17:00 IST, subject to faculty/team confirmation. This is a proposed schedule, not a confirmed calendar invitation.

Agenda (30 minutes):

1. 5 min — sprint goal and scope recap.
2. 10 min — demonstrate only working registration/login/profile behavior.
3. 5 min — review acceptance criteria and actual test results.
4. 5 min — collect feedback and identify new requirements.
5. 5 min — confirm accepted Stories, incomplete work, and backlog changes.

Invite: faculty/Product Owner representative, Scrum facilitator, implementation team and invited stakeholders. Attendance and acceptance are not yet confirmed. Use the ACS board and Sprint Report as evidence. Do not accept a Story unless demonstrated with verifiable test results.
